

COOKBOOK CONTEST WINNERS

Contest entries poured in from across the country, Newfoundland to British Columbia and places in between.

Given the large percentage of books that were sold locally, an entry from Powell River became the odds-on favourite. It was indeed a local resident, **Jackie Jensen**, who won the grand prize and will be taking the ferry from Powell River to Texada Island, where she will enjoy two night's accommodations at a Beachfront Cottage Hideaway, as well as brunch and dinner for two at the Tree Frog Bistro. A mélange of meal making ingredients will also be provided.

A second draw was made from the entries, in case the first-place winner was unable to accept the prize. **Marlene Wilkie** of Okotoks Alberta will be enjoying dinner for two at one of her favourite restaurants.

Our sincere thanks to everyone who purchased the cookbook — and are asking for another! Your support is valued and appreciated.
